Sub: Letter of Support for Tapovan Education Foundation schools for the Financial Year 2006-2007.

Dear Ms Monika Arora,

Further to the receipt of your project proposal for the F.Y 2006-2007, we have carried out a detailed analysis & review of Tapovan project.

We have decided in principle to continue our support to Tapovan Schools in and around Delhi, India. The above decision was based on the project review, progress reports review from last year/s & site reports obtained by Asha Munich.

The support for the F.Y 2006 – 2007 would be extended to three Tapovan schools as listed below.

- **Sri Tapovan Vidya Mandir, Indirapuram, Ghaziabad**
- **Sri Tapovan Vidya Mandir, Sector 62, Noida**
- **Sri Tapovan Vidya Mandir, Village Makanpur, Indirapuram**

A total of €5000 has been allocated for the above schools at our end for the F.Y 2006-2007. We would request you kindly start the application process to obtain the FCRA certificate for the above amount. As soon as you receive the FCRA clearance, we shall transfer the money to your bank account.

We are enclosing the project proposal received from your end along with this letter. We have signed the same on each page, after completion of our review.

Warm Regards
