X Std
Seva Chakkara Orphanage

The ashram has helped in uplifting me in the studies and other talents.

I went to Thanjavur Periya Koil, Navagraha temples, Kumbakonam, Chidambaram and Poompuhar Beach and kalai koodam. We celebrated Deepavali happily in our ashram and Udhavum Ullangal with crackers and new dresses.

We organised children day, Independence Day, Republic Day and Teachers day programme in our ashram. I was happy to attend the various programs arranged by our Administrative Officer. Daily evening I am happy to attend the prayer. All the working staffs are kind and supportive. Both teaching and non-teaching staffs are highly co-operative.

We went to Chennai marina beach and played cricket there in the evening and had our snacks.

My wish is to become a doctor. And kindly support me to finish my M.B.B.S. I will render my medical help as soon as I finish my Degree. I will give free medicines to the orphanage. Kindly do this favour to uplift my downtrodden life.

K. Mohanapriya
XI Std
Seva Chakkara Orphanage

We went to Navagraha temple, we also went to Thanjavur temple and was surprise by the sight of high peak shadow not falling in the earth. I went to Poompuhar and saw the epics of kovalan and kannagi and then went to Poompuhar Beach. We went to Chennai marina beach also and the evening with snacks and games.

I also participated in Quiz competition conducted by our Ashram. I too attended personality development class and developed my skills. As our ashram. As my ashram allowed to attend the concern, I came to know about my moral values. I am having good teachers, friends in my school. I am very proud to study in that school and I am very grateful to ashram who helped to join in that school.

I will work hard to equalize the gratitude. I will study well and help the ashram who made me to study. This is my promise. Even though I am not become famous also atleast I will stood in my own leg and show my gratitude to my beloved ashram.

S. Rajathi
XI Std
Seva Chakkara Orphanage

Our ashram is providing education, food, clothing with love and affection. I had been participated in the poem competition which was organised by other schools.

With the help of the ashram I went to a college to participate in a dance programme. Now I am studying XI Std in P.T. Lee. Chengalvarayan Hr. Sec. School. This year we went to AIMS organisation through our school, there I got certificate. The persons working there are analyzing the day correctly and highlighting the incidents happened two years back also.

I am interested to become a nurse in future, regarding that I am getting full support from our orphanage.

R. Mahalakshmi
XI Std
Seva Chakkara Orphanage

For the past ten years I am not having any goal in my heart. But now, i.e. after finishing my XII Std, I am interested to study Catering and Beautician Course. I am interested to learn Music. But I will give the first preference to Social work. This year I learn so many things with the help elders advice. I am interested to become a good speaker. With the help of our ashram I am unable to do achievements. I will work hard to bring name and fame to the ashram. With the blessings and advice of elders I came to know how to behave in my life. This year a power was born in my heart. I got good friends this year.

I got third prize in the running race organised in my school. I had acted a widow in the Children day programme organised in our ashram. I had participated in Personality development class organised by another NGO. In the independence day I had performed a dance and in Teachers Day I had role as School Principal and in Republic Day I had role as Bharatha Thai.

We went to Thanjavur periya kovil, Navagraha temples, Kumbakonam Ramadoss Anna Ashram. I was very much impressed and unforgettable tour in my life.

We went to Chennai Marina Beach alongwith Jayagopal Sir and Sukanya Akka. There we visited to M.G.R. Memorial place.

After become earning I help the ashram children in all sides. I help the ashram children to do achievements in their life. Though I unable to become a Prime Minister or President I will become a good social worker.

M. Tamizhselvi
XI Std
Seva Chakkara Orphanage

We went to Chennai Marina Beach and enjoyed with games and snacks. There we visited M.G.R. Memorial Place.

I am not only interested in concentrating Studies and also in other curricular activities.

I am singing in all programmes organising by our ashram like Independence Day, Children Day, Teachers Day and Republic Day Programme. In Independence Day programme I had a role as Bharatha thai, in Children Day programme I had a roll as Collector (I.A.S) role. I will dedicate my life to Seva Chakkara Orphanage, which helped for my studies. My ambition is to become a great singer. I learned so many things after joined in this ashram. I enjoyed the Deepavali with sweets, crackers and new dresses.

I am very much happy by living here. We are not thinking us orphans. Here we are having Appa, Anna, Miss and Akka. We are much enjoying our life.

V.Magesh
XII Std
Seva Chakkara Orphanage

I am in XII std. My exams are nearing. I am engaged in my studies. I want to get good marks in my examination. I will do my best. We are happy to stay in our orphanage. I will pray to God to keep this World with love and peace.

My ambition is to become a cricketer, but that may not be possible. So in another path I want to become a social worker. I will help seva Chakkara to do my level best.

I am interested to do any work. I am interested to play such as cricket , caram, chess, etc . I am involved in reading Ancient king stories. When I went to Tanjore and saw the King photos knife , bomb, palace, I felt, I am also one of the king in Tanjore.

In the academic year 2002-2003. We went to Tanjore temple , Chidambaram, Navagrahas temple. We were happy to see those places. We were playing, dancing, singing and had our own time in bus. We returned safely. We are very much grateful to our Founder, Secretary, Administrative Officer and other servicers.

I participated in Quiz competition. I won second place. We thought that we will win. Due to my over confidence we were pushed back. I felt very angry on myself.

I feel very happy to folks of Seva Chakkara Orphanage, with the blessings of God and our Founder. Then I feel, I improved my studies. I am starting I will not studying properly. Now I got the good marks in my class. In this academic year, I take one decision is that.

I want to get more marks in XII std. Because this is my last life of school. I want to thankful to our respected Founder, Secretary and Donors and who are helping our orphanage.

K. Lakshmi
XII Std
Seva Chakkara Orphanage

I am studying XII standard and I am staying here for the past 5 years. In our ashram they are not only providing education, as an entertainment yearly once, they are arranging a Summer tour. We went to Thanjavur Periya Koil, Navagraha temples, Chidambaram, Kumbakonam and poompuhar beach & kalai koodam.

I had participated in the drawing competition organised by Asha for Education and also participated in the Quiz competition and personality development class organised by another NGO.

And I got first rank in my class for that I had received prizes. I having special talents drawing, singing songs. And I am going to participate in speech, singing, drawing and writing competition. I am proud to participate in all those competition and the credit goes to Seva Chakkara Orphanage. I am very much thankful to donors, who are helping our orphanage.

**J. R. Solomimary
B.Com Ist Year
Seva Chakkara Orphanage.**

During this academic year I enjoyed very well. On the month of May I went to Tanjore, Navagrahas Temples and also I went to Kumbakonam and met Ramadoss Swamiji and also his ashram. I was really moved with that pleasant sight. I also went to M.G.M. and enjoyed. During this trip, I saw many historical and monumental places.

I also organised Independence day and Republic day programmes. I participated in Quiz Competition, I also went to beach as entertainment trip recently. We had a two or three medical camps in our ashram. We too conducted small cultural programmes for the sake of donors to express our love on them.

I am interested in Music, dance, Philosophy writing, Reading books, I got many opportunities to express my talent.

My ashram founder, Secretary, Treasurer, Administrative Officer, Staff, Servicers all of them are very kind to us. Our Ashram children are very close to each other. We move with them like our own brothers and sisters.

All service-minders are showering love and affection on us. They are guiding us well. Really I am lucky to have such a good hearted servicers. They are doing many good things for the sake of children.

My ambition is to become C.A. In my part I will also help the children in all the ways. I will not forget our Ashram. My service will be forever to our Ashram throughout my life. This is not only for name-sake, I am saying from my heart.

This year was really marvelous. We enjoyed very well and was educated in many ways. I too really enjoyed and benefited very much in all the ways during this year.
