Dear Mrs. Meera Kumar,

Appreciation for your volunteering to teach children from the EWS as a part of Asha Delhi's project

We have been running a project in Delhi for admitting children from the Economically Weaker Section (EWS) of the Society. Refer our project “**Delhi Govt 20% school reservation clause**” (<http://www.ashanet.org/projects/project-view.php?p=678>).

We have admitted 60 children in schools around Vasant Kunj. Some of them need special attention and support to cope up with their new found opportunity.

Refer your conversation with our Volunteer & Project Coordinator – Uday Gosain, we are greatly appreciative of your offer to teach around 8 children free of cost, at home and even going over to attend the PTA organized by the schools. We are deeply touched by this gesture.

We are handing over the below children in your tutelage:
