

MADURAI SEED

Vasantham Summer Camp 2012

Every year, MADURAI SEED conducts Vasantham Camp for children. This year the camp was conducted from 16.5.12 to 20.5.12 between the duration of 9.30AM to 6.30. It was done in the manner to know and praise the five different kinds of lands such as:

Kurinji (hills and mountain-based lands)

Mullai (forest and forest based lands)

Marutham (Farms and agro-based lands)

Neidhal (oceans and water-based lands)

Palai (desert and sand based lands)

As the five days were identified with five distinct kinds of lands, the camp was taken place in various places, such as; Vandiyur Sundaram Park, Rajaji Children Park, Karumbalai Community Hall and CESCI centre (2 Days), which have many connotations with the five lands.

In this way, children were being provided with the knowledge and problematic conditions that stand forth the five kinds of lands.

Volunteer P. Manikandan has given theatre practice for the five days. This drama practice kindled and enhances the imagination, leadership quality and oratory skills.

Children were taught to make innovative things using stones, useless clothes, papers and wooden pieces.

Individual as well as group games were conducted for the children.

Many Riddles, Reasoning Questions, Memory Games and Concentration Games which compete with their thirst of knowledge were also conducted.

In Kadavur village, the children trekked the hills.

In evenings, cultural events were staged such as songs, dance and play all centered on the five lands.

Our Trustee Mariammal, Sabapathy of , Lawyer and Farmer Mr. Samundeeswaran visited the camp and congratulated the children and organizers.
