Dear Jatinder,

Here are some more questions from the last meeting. Sorry for the delay again.

Rekha

- 1) Can you send us a full budget for Rajapark centre ? Just so we know how much of a center we are looking at funding?
- 2) Are the teachers for the special needs children qualified? Do they have proper training?
- 3) How much has CRY funded/ going to fund Rajapark? What are they funding for?
- 4) How much publicity does this project have in Jaipur city? Are people/NGOs/organizations from the city involved/aware?
- 5) Though Jhalana has less children, they have more teachers than for Rajapark? Is it because of the special needs requirements?
- 6) Though the schools follow State/ NCERT syllabus, are they actually recognized?
- 7) In the accounts doc, "Conveyance to staff members" seems much higher than transportation for students? Is there a reason for this?

Thanks.
