

an Hour

On the eve of India's 57<sup>th</sup> year of Independence, over 50 million of her children have not yet seen the inside of a primary school.

On August 15<sup>th</sup> this year, between 9 and 10 am, people all over the world will symbolically work together with Asha to change this situation.

Asha for Education, an international non-profit organization, is committed to providing access to basic education for underprivileged children in India. Asha urges you to find out more about this event and participate by donating at least an hour's pay towards achieving this goal.

***Please join us during one symbolic hour, as we work together to educate children in India.***

Visit our web site to donate online by credit card, or send a cheque payable to 'Asha for Education' to our address. If your company matches funds, please mail a matching gift form too.
